- END -

Explanation - Part one of the amendment provides state special revenue of \$200,000 each year of the biennium for a total of \$400,000 and federal special revenue of \$600,000 each year of the biennium for a total of \$1.2 million. This provides the Wildlife Division of Fish, Wildlife and Parks authority for the State Wildlife Grants program to conserve native fish and wildlife species and reduce the potential for federal listing of species.

Part two provides general fund one-time only authority of \$250,000 each year for a total of \$500,000 for the same purpose.
